

# Hiroko Yamaji

## Frontend Engineer

hiroko@hirokoymj.com  
+81-80-8452-9789  
Current place: Tokyo, Japan

I worked as Front-end engineer for 15 years in Los Angeles and recent 3 years in Japan. Since I will be returning to US, I am looking for Software Engineer position or Google Cloud related job. I am available to move in California, Arizona (Phoenix, Tempe) or Texas. My strong skill is React.js and GraphQL.

### Code Sample:
